1. WHAT INFORMATION DO WE COLLECT?

Personal information you disclose to us.

We collect personal information that you voluntarily provide to us when you express an interest in obtaining information about us or our products and services. Or when you contact us.

Personal Information Provided by You. The personal information that we collect depends on the context of your interactions with us and the choices you make. The personal information we collect may include the following:

Names, phone numbers, email addresses, mailing addresses, job titles, and contact preferences.

Sensitive Information. We do not process sensitive information. All personal information that you provide to us must be true, complete, and accurate, and you must notify us of any changes to such personal information.

Information automatically collected. Some information — such as your Internet Protocol (IP) address and/or browser and device characteristics — is collected automatically when you visit our sites.

We automatically collect certain information when you visit, use, or navigate the site. This information does not reveal your specific identity (like your name or contact information) but may include device and usage information, such as your IP address, browser and device characteristics, operating system, language preferences, referring URLs, device name, country, location, information about how and when you use our Services, and other technical information. This information is primarily needed to maintain the security and operation of our Services, and for our internal analytics and reporting purposes.

Information collected from other sources. We may collect limited data from public databases, marketing partners, and other outside sources. In order to enhance our ability to provide relevant marketing, offers, and services to you and update our records, we may obtain information about you from other sources, such as public databases, joint marketing partners, affiliate programs, data providers, and from other third parties. This information includes mailing addresses, job titles, email addresses, phone numbers, intent data (or user behavior data), Internet Protocol (IP) addresses, social media profiles, social media URLs, and custom profiles, for purposes of targeted advertising and event promotion.

2. HOW DO WE PROCESS YOUR INFORMATION?

We process your information to provide, improve, and administer our services, communicate with you, for security and fraud prevention, and to comply with law. We may also process your information for other purposes with your consent.

We process your personal information for a variety of reasons, depending on how you interact with our services, including:

To enable user-to-user communications. We may process your information if you choose to use any of our offerings that allow for communication with another user.

To request feedback. We may process your information when necessary to request feedback and to contact you about your use of our Services.

To send you marketing and promotional communications. We may process the personal information you send to us for our marketing purposes, if this is in accordance with your marketing preferences. You can opt out of our marketing emails at any time. For more information, see "WHAT ARE YOUR PRIVACY RIGHTS?" below.

To deliver targeted advertising to you. We may process your information to develop and display personalized content and advertising tailored to your interests, location, and more.

To comply with our legal obligations. We may process your information to comply with our legal obligations, respond to legal requests, and exercise, establish, or defend our legal rights.

3. WHEN AND WITH WHOM DO WE SHARE YOUR PERSONAL INFORMATION?

We may share information in specific situations described in this section and/or with the following third parties.

We may need to share your personal information in the following situations:

Business Transfers. We may share or transfer your information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.

Affiliates. We may share your information with our affiliates, in which case we will require those affiliates to honor this privacy notice. Affiliates include our parent company and any subsidiaries, joint venture partners, or other companies that we control or that are under common control with us.

Business Partners. We may share your information with our business partners to offer you certain products, services, or promotions.

4. HOW LONG DO WE KEEP YOUR INFORMATION?

We keep your information for as long as necessary to fulfill the purposes outlined in this privacy notice unless otherwise required by law.

We will only keep your personal information for as long as it is necessary for the purposes set out in this privacy notice, unless a longer retention period is required or permitted by law (such as tax, accounting, or other legal requirements). No purpose in this notice will require us keeping your personal information for longer than the period in which users have an account with us.

When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymize such information, or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely store your personal information and isolate it from any further processing until deletion is possible.

5. HOW DO WE KEEP YOUR INFORMATION SAFE?

We aim to protect your personal information through a system of organizational and technical security measures.

We have implemented appropriate and reasonable technical and organizational security measures designed to protect the security of any personal information we process. However, despite our safeguards and efforts to secure your information, no electronic transmission over the Internet or information storage technology can be guaranteed to be 100% secure, so we cannot promise or guarantee that hackers, cybercriminals, or other unauthorized third parties will not be able to defeat our security and improperly collect, access, steal, or modify your information. Although we will do our best to protect your personal information, transmission of personal information to and from our Services is at your own risk. You should only access the Services within a secure environment.

6. DO WE COLLECT INFORMATION FROM MINORS?

We do not knowingly collect data from children under 18 years of age.

We do not knowingly solicit data from children under 18 years of age. By using the services, you represent that you are at least 18 or that you are the parent or guardian of such a minor and consent to such minor dependent's use of the Services. If we learn that personal information from users less than 18 years of age has been collected, we will deactivate the account and take reasonable measures to promptly delete such data from our records. If you become aware of any data, we may have collected from children under the age of 18, please contact us at privacy@baiminstitute.org.

7. WHAT ARE YOUR PRIVACY RIGHTS?

You may review, change, or terminate your account at any time.

If you are in the EEA or UK and you believe we are unlawfully processing your personal information, you also have the right to complain to your Member State data protection authority or UK data protection authority.

If you are in Switzerland, you may contact the Federal Data Protection and Information Commissioner.

Withdrawing your consent: If we are relying on your consent to process your personal information, which may be express and/or implied consent depending on the applicable law, you have the right to withdraw your consent at any time. You can withdraw your consent at any time by contacting us by

using the contact details provided in the section "HOW CAN YOU CONTACT US ABOUT THIS NOTICE?" below.

However, please note that this will not affect the lawfulness of the processing before its withdrawal nor, when applicable law allows, will it affect the processing of your personal information conducted in reliance on lawful processing grounds other than consent.

Opting out of marketing and promotional communications: You can unsubscribe from our marketing and promotional communications at any time by clicking on the unsubscribe link in the emails that we send, replying "STOP" or "UNSUBSCRIBE" to the SMS messages that we send, or by contacting us using the details provided in the section "HOW CAN YOU CONTACT US ABOUT THIS NOTICE?" below. You will then be removed from the marketing lists. However, we may still communicate with you — for example, to send you service-related messages that are necessary for the administration and use of your account, to respond to service requests, or for other non-marketing purposes.

Account Information

If you would at any time like to review or change the information in your account or terminate your account, you can:

Contact us using the contact information provided.

Upon your request to terminate your account, we will deactivate or delete your account and information from our active databases. However, we may retain some information in our files to prevent fraud, troubleshoot problems, assist with any investigations, enforce our legal terms and/or comply with applicable legal requirements.

8. CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems and mobile applications include a Do-Not-Track ("DNT") feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected. At this stage no uniform technology standard for recognizing and implementing DNT signals has been finalized. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online. If a standard for online tracking is adopted that we must follow in the future, we will inform you about that practice in a revised version of this privacy notice.
